ARTIST STATEMENT FORM

THIS FORM MUST ACCOMPANY YOUR CANVAS!
Please note that canvases returned without this form will not be accepted.

An artist statement is an integral component of the Community Mosaic Project and will accompany your finished work of art. An artist statement, simply put, is a written communication from an artist about their own art, or explaining something about a specific work of art they made. The patrons who receive the artworks from this project appreciate knowing who created the work and what inspired the artist to create it.

For that reason, we request that you complete this form in its entirety. Your artist statement should be handwritten, if possible, and should tell something about the materials you used, why you chose the particular subject, and your creative process. While we require you to provide your name, including your full address or other contact information is entirely optional.

PLEASE PRINT LEGIBLY.
