

Thank you to all the board members, volunteers, donors, and bidders who have made this year's online auction possible!

We are especially grateful to the local businesses, fellow non-profits, restaurants and lodging establishments that contribute year after year to our online auction. We encourage you to make note of our donors so you can patronize these businesses in return for **their generous support of our organization**; remember to make mention that you heard about them from the Hardy! Happy Bidding!
