

Thank you to all the board members, volunteers, donors, and bidders who have made this year's online auction possible!

We are especially grateful to the local businesses, fellow non-profits, and restaurants that contribute year after year to our online auction. We encourage you to make note of our donors so you can patronize these businesses in return for **their generous support of our organization**; remember to make mention that you heard about them from the Hardy! Happy Bidding!
